

ARCTIC STAR RIGID PRODUCT RANGE

ARCTIC STAR

Montracon

-28° FREEZER

KEY FEATURES

- ALUMINIUM DISTRIBUTION FLOOR
- HIGH PROFILE AIR FLOW FLOOR
- FIBERGLASS NON-SLIP FLOOR

Southern Cross Transport Equipment Group teamed up with British company Montracon Ltd to introduce a new series of Refrigerated Transport Equipment in Australia.

Manufactured in the United Kingdom, the "Arctic Star Montracon" series has been designed in co-operation with Southern Cross's local engineering team to meet the harsh requirements of the Australian Market.

- All units are fully assembled in Australia and designed to fit customer preferred cab chassis.

DESIGNED TO FIT CUSTOMER SUPPLIED TRUCK CHASSIS

SECTION THRU BODY

Full Freezer 14 Pallet Rigid Body (-28°) European Designed and Manufactured, Assembled in Melbourne.

Dimensions		14 Pallet Rigid Body
Length		9.0m
Width		2.5m
Internal Height		2.42m (Optional - 2.55m)
Construction		
Wall Construction	Europe's latest foam technology Montracon manufactures it's own fridge panels to ensure quality and high thermal efficiency are not compromised. Using Styrofoam panels free of CFC/HCFCs in construction is better environment wise. "Unlike sandwich pack designed bodies the "Montracon" has one piece moldered and bonded walls.	
Side Walls	40mm Styrofoam. Optional - Double sided door.	
Floor	Forklift and pallet jack rated flat fiberglass floor standard. Optional - High Profile Air Flow Floor and Aluminium Distribution Floor available.	
Roof	100mm Styrofoam	
Rear Frame	Full European Stainless Steel Rear Frame, fitted with stainless steel door gear and full freezer panel double rear doors. Optional - Whiting insulated roller door.	
Load Hold	2 rows of Stainless steel 'F' Track load lock and 2 x pogo bars included standard.	

Chassis Fitment	
Price includes fitment to customer supplied cab chassis.	
Refrigeration Unit	
Southern Cross Vans can arrange fitment and commissioning of the desired unit - Thermo King or Carrier, at extra cost.	
Warranty	
3 Years	

- **Suitable for the largest fleets down to one truck operators.**
- **Build times on these units are very fast to meet the already growing demand of these units.**
- **10 pallet and 12 pallet options available on request.**
